Further, the Board may direct such Unit Owners to arrange for such maintenance, repairs and

**Section 4.6 Common Elements.** Those portions of the Property which, by the definition or description in this Declaration or CCIOA are “Common Elements” include those portions of the Property described in this Declaration, the Map or CCIOA as “Common Elements,” “General Common Elements” “G.C.E.,” “Limited Common Elements” or “LCE”. Improvements and additions on and to the Common Elements may be changed, from time to time, by Board. Alterations, improvements or additions to the Common Elements which require a special assessment in excess of ten thousand dollars (\$10,000) per year must be approved by Unit Owners holding at least sixty-seven percent (67%) of the votes in the Association.

**Section 4.7 Limited Common Elements.**

**4.7.1** Any chute, flue, duct, wire, conduit, bearing wall, bearing column, or other fixture that lies partially within and partially outside the designated boundaries of a Unit, any portion thereof serving only that Unit is a Limited Common Element allocated solely to that Unit, and any portion thereof serving more than one Unit or any portion of the Common Elements is a part of the Common Elements.

**Section 4.9 Encroachments.** In the event that any portion of the Common Elements encroaches upon any Unit or Units; or in the event that any portion of a Unit encroaches upon any other Unit or Units or upon any portion of the Common Elements; or in the event any encroachment shall occur in the future as a result of: (a) settling; (b) alteration or repair to the Common Elements; or (c) repair or restoration of one or more Building(s) and/or Units after damage by fire or other casualty, or condemnation or eminent domain proceedings, a valid easement shall exist for the encroachment and for the maintenance of the same so long as the Building stands or the encroachment exists. If any one or more of the Units or the Building or other portion of the Common Elements is partially or totally destroyed and is subsequently rebuilt or reconstructed in substantially the same location, and as a result of such rebuilding any portion thereof shall encroach as provided in the preceding sentence, a valid easement for such encroachment shall then exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Elements or on the Units for purposes of marketability of title or other purposes. Units shall be deemed conclusively to be the property shown on the Map, notwithstanding any minor deviations, either horizontally, vertically, or laterally between the actual location of such Unit and the location indicated on the map.

## ARTICLE 5 COVENANT FOR COMMON EXPENSE ASSESSMENTS

**Section 5.1 Creation of Association Lien and Personal Obligation to Pay Common Expense Assessments.** Each Owner of a Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association Common Expense Assessments and such other assessments as imposed by the Association. Assessments, which includes fees, charges, late charges, fines, interest and all other amounts charged by the Association, shall be the personal obligation of the Owner of such Unit at the time when the assessment or other charges became due. The Common Expense Assessments and such other amounts assessed or charged by the Association shall be a charge on each Unit and shall be a continuing lien upon the Unit against which each such assessment is levied. If any assessment is payable in installments, each installment is a lien from the time it becomes due. A successor in title shall be jointly and severally liable for any past due sums due to the Association. No Unit Owner may become exempt from liability for payment of the Common Expense Assessments by waiver of the use or enjoyment of the Common Elements or by abandonment of the Unit against which the Common Expense Assessments are made. All assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted by any reason including, without limitation, any claim that the Association or the Board is not properly exercising its duties and powers under this Declaration.

**Section 5.2 Apportionment of Common Expenses.** Except as otherwise provided in this Declaration, all Common Expense Assessments shall be assessed against all Units in accordance with the formula for liability for the Common Expenses, which allocation is set forth on **Exhibit C**. Any Common Expense associated with the maintenance, repair or replacement of a Limited Common Element may be assessed against the Unit(s) to which the Limited Common Element is assigned or is appurtenant, in such proportions as determined by the Association in accordance with Section 5.7 below.

**Section 5.3 Purpose of Assessments.** The assessments levied by the Association through its Board shall be used exclusively for the purposes of promoting the health, safety, and welfare of the occupants and guests of the Complex and the Members of the Association.

**Section 5.4 Annual Assessment of Common Expense Assessments.** The Common Expense Assessment shall be made on an annual basis against all Units and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such assessment year. The budget shall be submitted to the Unit Owners for consideration and ratification pursuant to the Bylaws. Common Expense Assessments shall be due and payable in monthly installments, or in any other manner, as determined by the Board. The omission or failure of the Board to levy or otherwise invoice the assessment for any period shall not be deemed a waiver, modification or a release of the Unit Owners from their obligation to pay.

**Section 5.5 Effect of Non-Payment of Assessments.** Any assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within thirty (30) days after the due date thereof, shall bear interest at the rate as established by the Board, and the Association may assess a reasonable late charge thereon as referenced in the Responsible Governance Policies. Further, upon meeting the requirements of CCIOA, the Association may bring an action at law or in equity, or both, against any Unit Owner personally obligated to pay such overdue assessments, charges fees or installment thereof, and, and may also proceed to foreclose its lien against such Unit Owner's Unit subject to the requirements of the Governing Documents and CCIOA. An action at law or in equity by the Association against a Unit Owner to recover a money judgment for unpaid assessments, charges or fees, or installment thereof, may be commenced and pursued by the Association without foreclosing, or in any way

waiving, the Association's lien therefor. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to prohibit or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent assessments, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Unit at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any assessment lien pursuant to CCIOA, and a Unit Owner abandons or leaves vacant his or her Unit, the Board may apply for the appointment of a receiver for the Unit without prior notice to the Unit Owner. The rights of the Association shall be expressly subordinate to the rights of any first mortgagee as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under CCIOA. In any collection action, the Association shall recover all of its collection costs, including but not limited to reasonable attorneys' fees, subject to the requirements of CCIOA.

**Section 5.6 Lien Priority.** The lien of the Association under this Section is prior to all other liens and encumbrances on a Unit except: (a) liens and encumbrances recorded before the recordation of the Declaration; (b) a first mortgage on the Unit (except as allowed by CCIOA with regard to the limited lien priority allowed to the Association); and (c) liens for real estate taxes and other governmental assessments or charges against the Unit. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Unit shall not affect the lien for said assessments or charges except that sale or transfer of any Unit pursuant to foreclosure of any first mortgagee, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, note cancellation or forfeiture shall relieve any Unit from continuing liability for any assessment charges thereafter becoming due, nor from the lien thereof.

**Section 5.7 Special Assessments.** In addition to regular annual Common Expense Assessments, the Association may levy special assessments, payable over such periods as the Association may determine, for the purpose of defraying, whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Complex or parts thereof, or for any expense incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Association to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections hereof. Any amounts assessed pursuant hereto against all Owners shall be in proportion to their percentage interest in the Common Elements. Any amounts assessed pursuant hereto against less than all of the Owners shall be assessed to such Owners in proportion to their percentage interest computed by dividing an Owner's percentage interest in the Common Elements by the sum total of all percentage interests in Common Elements of the Owners who are not to be assessed or in other proportions as the Board determines as reasonable. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than 30 days after such notice shall have been given.

**Section 5.8 Owner's Negligence or Misconduct.** In the event that the need for maintenance, repair, or replacement of the Common Elements, or any portion thereof, is caused through or by the negligent or willful act or omission or misconduct of any Owner, or the Owner's agents, employees, guests, contractors, or other invitees, then the expenses, costs, and fees incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Owner, and such expenses, costs and fees shall be an assessment determined and levied against such Unit, and the Association may proceed in accordance with the applicable provisions of the Governing Documents.

**ARTICLE 6**  
**RESTRICTIONS ON USE, ALIENATION AND OCCUPANCY**

The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board or by an appropriate committee (subject to review by the Board) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing or must be contained in written guidelines or Rules.

**Section 6.1     Use/Occupancy.** All Units within the Complex shall be used only for those uses and/or purposes as allowed by local zoning, control and regulation. The use of each Unit is restricted to that of a single-family residence and accessory uses as permitted herein, including long-term rentals, short-term rentals (i.e., rentals less than 30 days) and lodging. Timeshares shall not be permitted. Except for home professional offices or business use permitted by local zoning, no industry, business, trade or commercial activities shall be conducted, maintained or permitted in any part of a residential Unit. Home offices or professional pursuits are permitted provided such activity is conducted without employees, other staff, public visits, nonresidential storage, or other similar uses.

**Section 6.2     Leasing and Occupancy of a Unit.** Any Unit Owner shall have the right to lease or allow occupancy of a Unit upon such terms and conditions as the Unit Owner may deem advisable, subject to the following, and to other restrictions regarding short-term and overnight rentals, which are or may be contained in the Rules:

**6.2.1** Short-term rentals (of less than 30 days) shall be subject to reasonable regulation of the Association.

**6.2.2** Any long-term lease or rental agreement (of 30 days or more) shall be in writing and shall provide that the lease or rental agreement is subject to the terms of the Governing Documents. A copy of each long-term lease together with contact information for the tenant(s) shall be provided to the Association's manager.

**6.2.3** All short and long-term occupancies, leases and rental agreements of residential Units shall state that the failure of the tenant, renter or guest to comply with the terms of the Governing Documents shall constitute a default of the occupancy, lease or rental agreement and such default shall be enforceable by either the Association or the landlord, or by both of them.

**6.2.4** All occupancies of tenants or guests of Units shall be subject to the right of the Association to remove and/or evict them for failure to comply with the terms of the Governing Documents.

**6.2.5** Except as restricted in this Declaration, and such Rules the Association may promulgate, the right to lease or allow occupancy of a Unit shall not be restricted.

**Section 6.3     Units to be Maintained.** Each Unit, at all times, shall be kept well maintained in good repair, and in a clean, sightly, and wholesome condition. Trash, recycling, litter, junk boxes, containers, bottles, cans, implements, machinery, lumber or other building materials shall not be permitted to remain exposed upon or within any Unit or Limited Common Element so that the same are visible from the Common Elements, any other Unit, or any street, except as necessary during a reasonable period of construction. To the fullest extent permitted by CCIOA, the Association, and its agents, shall have the authority to enter, replace, maintain, repair and clean up Units which do not conform to the provisions of this Section, and to charge and collect from the Unit Owners thereof all reasonable costs related thereto as

an assessment hereunder, subject to the procedures set forth in the Responsible Governance Policies in effect from time to time.

**Section 6.4 Parking, Storage, and Repairs.**

**6.4.1** No motor vehicle parking is provided within the Complex.

**6.4.2** Bicycles and other nonmotorized vehicles may only be parked or stored in racks or areas designated for such purposes, or within a Unit or L.C.E. assigned to it.

**6.4.3** No abandoned or inoperable bicycles or vehicles of any kind shall be stored or parked in the Common Elements.

**Section 6.5 Use of Common Elements.** There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements without the prior written approval of the Association, except that outdoor specific furniture shall be permitted on Limited Common Element decks and patios, and bicycles and sports equipment in good repair and condition may be stored on Limited Common Element decks. Nothing shall be altered on, constructed in, or removed from the Common Elements without the prior written approval of the Association.

**Section 6.6 Nuisances.** No nuisance shall be permitted within the Complex, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Unit Owner or which may unreasonably interfere with the peaceful enjoyment or possession of the proper use of a Unit or Common Element, or any portion of the Complex by Unit Owners. Further, no immoral, improper, offensive or unlawful use shall be permitted within the Complex or any portion thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Complex or a portion thereof shall be observed. As used herein, the term nuisance shall not include any activities of Association which are reasonably necessary for the maintenance, repair and replacement of Common Elements within this Complex; provided, however, that such activities shall not reasonably interfere with any Unit Owner's use and enjoyment of their Unit, or any Unit Owner's ingress and egress to or from their Unit and a public way.

**Section 6.7 No Annoying Lights, Sounds or Odors.** No light shall be emitted from any portion of the Complex which is unreasonably bright, causes unreasonable glare, or casts a glare on other Units or Common Element areas, and no sound or odor shall be emitted from any portion of the Complex which would reasonably be found by others to be noxious or offensive. Without limiting the generality of the foregoing, no exterior spotlights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Complex except with the prior written approval of the Board.

**Section 6.8 No Hazardous Activities.** No activity shall be conducted on any portion of the Complex which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any portion of the Complex and no wood burning fires, smokers or charcoal barbeques shall be lighted or permitted on any portion of the Complex or in any Unit, proper use of gas grills, heat lamps and similar gas burning apparatus shall not be prohibited but may not be left unattended while in use. Propane fireplaces shall not be permitted outside of a Unit.

**Section 6.9 Compliance with Insurance Requirements.** Except as may be approved in writing by the Board, nothing shall be done or kept on the Complex which may result in a material increase in the rates of insurance or would result in the cancellation of any insurance maintained by the Association.

**Section 6.10 No Unsightliness.** All unsightly conditions, structures, facilities, lawn furniture, equipment, objects and conditions shall be kept in the L.C.E.s.

**Section 6.11 Restriction on Signs and Advertising Devices.** No for rent or for sale signs may be displayed in any window. No other sign, poster, billboard, advertising device or display of any kind shall be erected or maintained anywhere within the Complex except in compliance with the rules and regulations of the Association pertaining to signs, posters and displays as set forth in the Governing Documents.

**Section 6.12 No Restrictions on Sale of a Unit.** The right of a Unit Owner to sell, transfer or otherwise convey their Unit shall not be subject to any right of first refusal or similar restriction and such Unit may be sold free of any such restrictions.

**Section 6.13 No Restrictions on Mortgaging of a Unit.** There are no restrictions on the right of the Unit Owners to mortgage or otherwise encumber their Unit. There is no requirement for the use of a specific lending institution or particular type of lender.

**Section 6.14 Restrictions on Structural Alterations and Exterior Improvements.** No structural alterations to any Unit or any Common Elements shall be done by any Owner without the prior written approval of the Association. No improvement to the exterior of the Building, to the pool area or to any landscaping shall be constructed, erected, placed or installed within the Complex, unless complete plans and specifications therefor shall have been first submitted to and approved in writing by the Board. No Owner may perform any plumbing or electrical work on, or which affects, the Common Elements (including but not limited to temporary water, gas or power shut offs) without the prior written authorization of the Board or the Association's Manager.

**Section 6.15 No Alteration or Modification of Common Elements.** Unit Owners may not alter, amend, lease, license or reassign Common Elements or Common Element areas without the prior written authorization of the Board.

**Section 6.16 Animals.** The raising, breeding or keeping of animals, birds and reptiles ("animals") for any commercial purpose is prohibited. The Board may otherwise allow domestic cats and dogs as household pets subject to rules and regulations of the Association and local ordinances. Service animals shall be permitted as required by law.

**Section 6.17 Rules and Regulations.** In furtherance of the provisions of this Declaration, and the general plan, rules and regulations concerning and governing all areas within the Complex or any portion thereof may be adopted, amended or repealed, from time to time by the Board, or its successors and assigns. The Board may establish and enforce penalties for the infraction thereof.

## ARTICLE 7 INSURANCE/CONDEMNATION

**Section 7.1 Insurance Carried.** The Association shall obtain and maintain in full force and effect to the extent reasonably available, and at all times, the insurance coverage set forth herein and as set forth in CCIOA, which insurance coverage shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado. The Association shall maintain, to the extent reasonably available, policies with the following terms or provisions:

**7.1.1** All policies of insurance shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of a Unit Owner and shall provide that such policies

may not be canceled or modified without at least thirty (30) days' prior written notice to all of the Unit Owners and the Association;

**7.1.2** All liability insurance shall be carried in blanket form naming the Association, the Board, the manager, if any, the officers of the Association and the Unit Owners as insureds;

**7.1.3** Prior to obtaining any policy of casualty insurance or renewal thereof, pursuant to the provisions hereof, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement value of the Units, excluding interior drywall, plaster, finishes, flooring, fixtures, equipment, appliances, furnishings and contents, and the Common Elements, without deduction for depreciation, review any increases in the cost of living, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In no event shall any casualty insurance policy contain a co-insurance clause for less than one hundred percent (100%) of the full insurable replacement cost;

**7.1.4** The Association's insurance coverage does not cover lost rent, lost profits or any loss of or damage to personal property not owned by the Association. Owners shall carry other insurance, including but not limited to contents insurance, "loss assessment" insurance, lost rents insurance, business insurance, general liability insurance, umbrella insurance, etc., for their benefit and at their expense, provided that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any insurance carried by Unit Owners and provided, further, that the policies of insurance carried by the Association shall be primary, even if a Unit Owner has other insurance that covers the same loss or losses as covered by policies of the Association. The Association's insurance coverage, as specified hereunder and under CCIOA, does not obviate the need for Unit Owners to obtain insurance for their own benefit. Nothing herein shall require the Association to verify that the Unit Owner(s) have their own insurance in place or the adequacy of such insurance; and

**7.1.6** All policies of insurance shall provide that the insurance thereunder shall be invalidated or suspended only in respect to the interest of any particular Unit Owner guilty of a breach of warranty, act, omission, negligence or non-compliance of any provision of such policy, including payment of the insurance premium applicable to the Unit Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy, but the insurance under any such policy, as to the interests of all other insured Unit Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

**Section 7.2 Hazard Insurance on the Units and Common Elements.** The Association shall obtain adequate hazard insurance covering loss, damage or destruction by fire, flood or other casualty to the Units, to the Common Elements and the other property of the Association. The insurance obtained on the Units shall not include interior drywall, plaster, finishes, flooring, fixtures, equipment, appliances, furnishings or contents. All policies shall contain a standard noncontributory mortgage clause in favor of each first mortgagee, and their successors and assigns, which shall provide that the loss, if any thereunder, shall be payable to the Association for the use and benefit of first mortgagees, and their successors and assigns, as their interests may appear in the Property Records. If obtainable, the Association shall also obtain the following and any additional endorsements deemed advisable by the Board: (a) an inflation guard endorsement, (b) a construction code endorsement, (c) a demolition cost endorsement, (d) a contingent liability from operation of building laws endorsement, (e) an increased cost of construction endorsement, and/or (f) any special PUD endorsements.

**Section 7.3 Liability Insurance.** The Association shall obtain an adequate comprehensive policy of public liability and property damage liability insurance covering all of the Units and the Common

Elements, including structural coverage of the Units, in such limits as the Board may from time to time determine, but not in any amount less than One Million Dollars (\$1,000,000.00) per injury, per person, and per occurrence, and in all cases covering all claims for bodily injury or property damage. Coverage shall not include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other uses of the Complex. The foregoing liability insurance shall name the Association as the insured.

**Section 7.4 Fidelity Insurance.** The Association shall obtain adequate fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The clause “officers, directors, trustees and employees” shall not include any officer, director, agent or employee of any independent, professional manager heretofore or hereafter employed by the Association. The fidelity coverage or bonds should be in an amount sufficient to cover the maximum funds that will be in the control of the Association, its officers, directors, trustees and employees.

**Section 7.5 Workers’ Compensation and Employers’ Liability Insurance.** The Association shall obtain workers’ compensation and employer’s liability insurance and all other similar insurance with respect to its employees, if any, in the amounts and forms as may now or hereafter be required by law.

**Section 7.6 Officers and Directors Personal Liability Insurance.** The Association shall obtain officers’ and directors’ personal liability insurance to protect the officers and directors from personal liability in relation to their duties and responsibilities in acting as officers and directors on behalf of the Association. Neither the term “officers” nor the term “directors” shall include any officer, director, employee or agent of any professional manager or managing agent heretofore or hereafter employed by the Association.

**Section 7.7 Other Insurance.** The Association may obtain insurance against such other risks, of similar or dissimilar nature, including flood insurance, as it shall deem appropriate with respect to the Association responsibilities and duties.

**Section 7.8 Insurance Premium.** Except as assessed in proportion to risk, if permitted under the terms of this Declaration, insurance premiums for the above provided insurance shall be a Common Expense to be included as a part of the annual Common Expense Assessments levied by the Association.

**Section 7.9 Managing Agent Insurance.** The Association’s manager, if any shall be adequately insured for the benefit of the Association and shall maintain and submit evidence of such coverage to the Association.

**Section 7.10 Waiver of Claims Against Association.** As to all policies of insurance maintained by or for the benefit of the Association and Unit Owners, the Association and the Unit Owners hereby waive and release all claims against one another and the Board to the extent of the insurance proceeds available, whether or not the insurance damage or injury is caused by the negligence of or breach of any agreement by and of said persons.

**Section 7.11 Annual Insurance Review.** The Board shall review the insurance carried by and on behalf of the Association annually, for the purpose of determining the amount of insurance required. If the insurance described in Sections 7.2 and 7.3 above is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent postage prepaid by United States mail to all Unit Owner.

**Section 7.12 Adjustments by the Association.** Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association, and not to any mortgagee. The Association shall hold any insurance proceeds in trust for the Association, Unit Owners and first mortgagees as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association, Unit Owners and first mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored.

**Section 7.13 Duty to Repair.** Any portion of the Complex for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association or Unit Owner, at the Unit Owner's option on whether the repair is done by the Association or the Unit Owner, except as provided in CCIOA.

**Section 7.14 Condemnation and Hazard Insurance Allocations and Distributions.** In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Unit Owners, the distribution shall be as the parties with interests and rights are determined or allocated by record, and pursuant to CCIOA.

**Section 7.15 Apportionment of Deductible Expense.** In the event that the Association pays a deductible to settle an insurance claim for damages to real property, the Executive Board may levy an assessment the amount of the insurance deductible against the Owner(s) causing the loss if the loss arises directly or indirectly out of their negligence, recklessness or willful and wanton conduct; and/or the Owner(s) benefitting from the repair or restoration.

**Section 7.16 Owner Claims.** An Owner may file a claim against an Association property insurance policy only if all of the following conditions are met: (a) the Owner has, within a reasonable period of time following discovery, contacted the Board and the Association's manager in writing about the claim's subject matter; (b) the Owner has given the Association at least 5 business days to respond in writing and, if requested, has given the Association a reasonable opportunity to inspect the damage; and (c) the subject matter of the claim falls within the Association's insurance responsibilities.

## ARTICLE 8 GENERAL PROVISIONS

### **Section 8.1 Enforcement.**

8.1.1. Each Owner shall comply strictly with and shall cause each of the Owner's guests, agents, tenants, contractors and other invitees ("**Invitees**") to comply strictly with all of the provisions of this Declaration and of the other Governing Documents adopted by the Association, as the same may be amended from time to time. Owners may be held responsible and may be fined or otherwise sanctioned for the misconduct of their Invitee(s).

8.1.2. Subject to compliance with the Governing Documents and CCIOA, the Association, or an Owner or Owners, may enforce the covenants imposed by the provisions of the Governing Documents by proceedings at law or in equity against any person or persons, either to recover damages for such violation, including all costs and reasonable attorneys' fees incurred in enforcing these covenants, or to restrain such violation or attempted violation. Failure of the Association or of any Unit Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

**Section 8.2 Severability.** Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

**Section 8.3 Term of Declaration.** The Covenants of this Declaration shall run with and bind the Property in perpetuity.

**Section 8.4 Technical, Clerical Typographical or Clarification Amendment by Association.** If the Board shall determine that any amendments to this Declaration or Map shall be necessary in order to make non-material changes, such as for the correction of the technical, clerical or typographical error or clarification of a statement, then, subject to the following sentence of this Section, the Board shall have the right and power to make and execute any such amendments without obtaining the approval of any Unit Owners. In furtherance of the foregoing, a power coupled with an interest is hereby reserved granted to the Association, acting through its Board, to make or consent to an amendment under this Section on behalf of each Unit Owner. Each deed, Mortgage, other evidence of obligation or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of the power of the Board to make, execute and record an amendment under this Section.

**Section 8.5 Amendment of Declaration by Unit Owners.** Except as otherwise provided in this Declaration or CCIOA, any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended or repealed at any time and from time to time upon approval of at least sixty-seven percent (67%) of the votes in the Association and with the written consent of the Association. The amendment or repeal shall be effective upon recording in the Property Records, a certificate, setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

**Section 8.6 Interpretation; Conflicting Terms or Documents.** The provisions of this Declaration shall be liberally construed to effectuate their purposes of creating a uniform plan for the development of the Units and of promoting and effectuating the fundamental concepts as set forth in the recitals of this Declaration. This Declaration shall be construed and governed under the laws of the State of Colorado. In the case of any conflict between the Articles of Incorporation and the Bylaws, the Articles shall control; in the case of any conflict between the Declaration and the Bylaws, the Declaration shall control; in the case of any conflict between the Articles of Incorporation and the Declaration, the Declaration shall control.

**Section 8.7 Singular Includes the Plural.** Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender referral shall be deemed to include the masculine, feminine and neuter.

**Section 8.8 Captions.** All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

The foregoing FIRST AMENDED AND RESTATED DECLARATION was approved pursuant to Section 34.b. of the Original Declaration by a vote of 75% of the votes in the Association and by 75% of the first mortgagees.
